

A BIBLIOGRAPHY OF SOMERSET GEOLOGY

Updates made after August 2023 in green text.

Updates made after December 2023 in red text.

Updates after 15th March 2024 in purple text

Updates after 1st July 2025 in orange text

© Somerset Geology Group.

Version	Date	Update
0.1	6 th January 2023	<ol style="list-style-type: none"> 1. Changed format of bibliography to the following (example): Farrant, A. R., Vbranch, R. D., Ensom, P. C., Wilkinson, I. P. & Woods, M. A., 2014. New evidence of the Cretaceous overstep of the Mendip Hills, Somerset, UK. Proceedings of the Geologists Association, 125(1), 63-73... 2. Added SGG and other printed papers shared by Wendy Lutley
0.2	5 th February 2023	Updated from SGG papers shared by Garry Dawson
0.3	7 th February 2023	Starting to add references from SGG newsletters provided by Wendy Lutley
0.4	22 nd March 2023	Continuing adding references from SGG Newsletters in 1997
0.5	27 th June 2023	<ol style="list-style-type: none"> 1. 153 references added to Hugh's 1997 bibliography. 2. Removed duplicate / irrelevant references / general tidy up. 3. References added in 2023 are all in blue typeface.
1.0	3 rd August 2023	Posted to SERC website
1.1	25 th October 2023	Added / edited items in green font
1.2	21 st December 2023	<ol style="list-style-type: none"> 1. Added / edited items in red font. 2. Posted to SGG website
1.3	3 rd March 2024	<ol style="list-style-type: none"> 1. Added references from the Somerset Geology Group LGS area references. 2. Added BGS Memoirs 3. Added various other references in red font. 4. Posted to SGG website. 1,542 references listed
1.4	15 th March 2024	<ol style="list-style-type: none"> 1. Completed updating all Ussher references (1958-2022) 1,589 references listed (268 new references since 6th January 2023).
1.5	15 th March 2024	<ol style="list-style-type: none"> 1. Added references from Bath Geological Society Journals. 2. Other ad hoc references added 1,660 references to Somerset Geology (299 added since January 2023).
1.6	17 th July 2025	12 updates made
1.7	24 th July 2025	15 updates made
